☑ = Embedded assessment points in the lesson

---

**Pre-Teach**

List key concept(s) of the lesson, and how students will be given opportunities to explore the concepts experientially. This is done prior to teaching the arts-infused lesson. Introduction of the writing infusion concepts may be included here as well.

---

**Lesson Steps Outline**

1. The Lesson Steps Outline summarizes the main steps in the lesson, as well as highlights each embedded assessment, or point for reflection. The bold print sentence or two that is at the beginning of each lesson step is pasted in here. The outline is printed in a large font so that the teacher can glance at it during instruction as a guide.

☑ Criteria-based Here you can list process-based assessment, teacher checklist, self-assessment, peer assessment, or reflection: If you have teacher checklist, and/or self-or peer assessment, you can paste the appropriate criteria from page one.
LESSON STEPS

1. Lesson Steps are detailed step-by-step instructional strategies for teaching the lesson. **What the Teacher does is in bold font.**

(Note images to be imbedded in each lesson step. Images should be emailed along with lesson to Arts Impact.)

- **Prompts for students** – Key inquiry-based questions, instructions and questions for reflection – are bulleted so they are easy for the teacher to read during instruction.

☐ Criteria-based embedded assessments are highlighted for each lesson step. They can be process-based assessment, teacher checklist, self-assessment, peer assessment, or reflection. If they are listed as teacher checklist, self or peer assessments, they can be pasted from the selected criteria on page one. Those are also recorded on the class assessment worksheet at the end of the lesson. Other times they are process assessments or reflections. All assessments are used formatively, to guide instruction throughout the lesson.

The class assessment worksheet (teacher checklist) is a place to document learning by the entire class. This worksheet is designed as a checklist; alterations need to be made if you are including rubric points. Place a checkmark or 1 for each student who meets criteria; place a 0 for a student who does not meet the criteria; write AB for absent students.

ARTS IMPACT FAMILY LETTER
A family letter can accompany a lesson. The letter can be sent home immediately after an arts lesson is taught and preferably before a visual art product is sent home with the student. Many parents have not had a very comprehensive art education and may be unfamiliar with art vocabulary, so write the letter in accessible language.
